

## Self catering holiday apartments in the Peak District

Hargate Hall is in the Heart of the Peak District National Park, between Buxton, Bakewell and Castleton and Tideswell. Hargate Hall offers 12 self catering apartments providing holiday accommodation for families, friends, large or small groups, holidays or short breaks, walking and activity holidays, or just taking it easy. We have many facilities; a games room (with pool, air hockey, table tennis, table football, and a soft play area for the younger ones), laundry room, barbeques and a newly built adventure playground. We are set in 7.5 acres of parkland with fantastic views over the surrounding Derbyshire Peak District.

For larger gatherings you can hire the whole hall. It makes a perfect location to hold parties, family get-togethers or even wedding receptions. These can either be done on a self catering basis or we can help with organising your special event by finding anything from local caterers to balloon suppliers. We are also licensed to hold civil wedding ceremonies

We are also a popular venue for management training groups to conduct corporate team building events.

The self catering apartments are all equipped to a high standard and are really comfortable. They sleep from 2 to 10 people. All apartments have a fully fitted kitchen area with everything you would expect to find. They also have TV, hi-fi and DVD player. Balmoral, Windsor and Sandringham apartments also have dishwashers. Cots and high chairs are available free of charge (guests need to provide their own cot bedding). All bed linen is provided and personal towels are available if required at an extra charge of £5 per person per week. There will also be a welcome pack of tea, coffee, coffee and a pint of fresh milk in the fridge.

Electricity is charged by £1 slot meter. The communal areas at Hargate Hall are centrally heated, and all apartments have independent electric heating. Additionally, most apartments have an open fireplace. A starter pack of coal, fire lighters and matches is provided and further supplies are available to purchase.

Well-behaved pets are permitted (charges apply and dogs to be kept on a lead in the communal areas of the hall and upper garden).

Everyone is guaranteed a warm welcome.

### Accreditations

We are members of the Green Start Scheme.

We are inspected annually and have been awarded three stars by **Visit Britain**.
